

Reflection on Tower Activity: *Were you successful as a team?*

What leadership style did you use? What styles did you notice others using?

Reflect on how you worked together:

	What worked?	What could you do better next time?
Results of Activity: <ul style="list-style-type: none">○ Accomplishment of the task○ Achievement of the goal		
Process for getting task done: <ul style="list-style-type: none">○ Steps for how the work got done○ Management of group process○ Design of the work		
Relationship: <ul style="list-style-type: none">○ How people related to and listened to each other○ How people felt about their involvement and contribution		

Measure your success:

Were you successful? Which of the 3 areas above (Result, Process or Relationships) were the most important to your group?
